

The logo features the letters 'TYIC' in a bold, black, sans-serif font. The 'Y' is a vibrant red color and is stylized with a loop that extends downwards and to the right, overlapping the 'P' in 'Practice'. The words 'Practice', 'Management', and 'Services' are stacked vertically in a bold, black, sans-serif font, positioned to the right of the 'Y' loop. The entire logo is set against a light beige background with a large, faint, stylized graphic of a hand holding a pen, suggesting a professional or medical practice.
